

# CHRISTOPHER J. MOLITORIS

Centreville, VA; 20120 | (321) 298-8098 | [chris.molitoris@yahoo.com](mailto:chris.molitoris@yahoo.com)

Served just under a decade in the military (in leadership positions) and have separated to pursue a career in software development/engineering. I consistently work to advance skills within the industry and become a more effective developer. I thoroughly enjoy learning new concepts and information as well as working as a member of a team.

## Certifications / Skills

### Clearance - Secret

Department of Defense Leadership Course (BLC)

GPA – 3.95

### University (Applied Computer Science/Software Engineering):

- Mathematics - Calculus I & II, Discrete Math, Linear Algebra
- Computer Science/Software Engineering – CS Fundamentals, Intro Programming, OOP

### Software Development:

- Concepts and implementation - Classes, methods, interfaces, advanced data structures (linked lists, hash set/map), sorting algorithms, I/O.
